

McKINNEY.

Special Correspondence.

McKinney, I. T., Nov. 17.—The school opened last Monday and the prospects are very fine for the most prosperous school in the history of this place. The attendance was large from the start and still growing.

Rev. G. W. Tubbs was here and filled his regular appointment. Rev. Woods of Thackerville preached on Sunday at 11 o'clock for Bro. Tubbs. Rev. Grimes, the new Methodist preacher for this circuit, preached his opening sermon at this place yesterday. The people are all well pleased with him.

Rev. Glenn of Orin will preach here next Sunday at 11 o'clock. Bro. Glenn contemplates moving to Texas in a short time and preaches this sermon as a farewell address.

Miss Lillie Lance, who has been so sick for some time, is now recovering fast.

Mr. Barbee, who was reported very low last week, is much better.

Ed Clary and son, Leonard, or York were here last week to visit relatives.

Dr. Howard McKinney of Cumberland was over to visit his parents last week.

B. B. Beckham of Ada is here on business and also visiting relatives.

Charley Zellner of near Brock is moving to the place vacated by Mr. Douglas.

Henry Zellner and family visited at Brock Saturday and Sunday.

Jonas De Arman of Ardmore was down last week to see relatives.

Miss Onie Buckley was out from Marietta last Sunday to see her parents.

Ed Glover and Miss Pearl Glenn of Orin were united in marriage at the residence of C. J. McKinney last Saturday night. Rev. G. W. Tubbs tying the knot. This is one of the many weddings where parental objections were of no avail. We are informed that this was a full fledged runaway marriage, the father of the young lady objecting to the union.

The Best Remedy for Croup.

From the Atchison, Kan., Daily Globe:

This is the season when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost as sure to be lost, in case of croup, as a revolver is sure to be lost in case of burglars. There used to be an old fashioned remedy for croup known as hive syrup and tulu, but some modern mothers say that Chamberlain's Cough Remedy is better and does not cost so much. It causes the patient to "throw up the phlegm" quicker and gives relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by City Drug Store, F. J. Ramsey and Ardmore Drug Co.

When a man is worthless all the good advice on earth won't help him.

A fat man never seems to take up as much room as a fat woman.

Stepped Against a Hot Stove.

A child of Mrs. George T. Benson, when getting his usual Saturday night bath, stepped against a hot stove which burned him severely. The child was in great agony and his mother could do nothing to pacify him. Remembering that she had a bottle of Chamberlain's Pain Balm in the house she thought she would try it. In less than half an hour after applying it the child was quiet and asleep, and in less than two weeks was well. Mrs. Benson is a well known resident of Kellar, Va. Pain Balm is an antiseptic liniment and especially valuable for burns, cuts, bruises, sprains. For sale by City Drug Store, F. J. Ramsey and Ardmore Drug Co.

MARSDEN.

Special Correspondence.

Marsden, I. T., Nov. 16.—We are looking for some frosty weather now, as the wind has shifted into the north and it is getting quite cool.

Crops are in a manner all gathered and sold.

Eight or ten families have recently left here for other parts of the country.

T. V. Sharrock has added another room to his house.

Frank McAlister came in last week from New Mexico, bringing a bunch of cattle—his own and Mr. Sharrock's.

Born to Dr. and Mrs. A. Y. Easterwood, a daughter, also to Mr. and Mrs. E. E. Forbes, a son.

Rev. Tubbs filled his appointment here Sunday.

W. M. Bollen and wife are visiting Rev. Sims and family at Ardmore.

Our school has commenced under the management of Prof. Carl McCullough. We are to have a six months' school.

We notice the executive committee of the Chickasaw Territorial Association is to have another convention at Holdenville. Our people are not much inclined to take a part.

SULPHUR.

Special Correspondence.

Sulphur, I. T., Nov. 15.—The rainy weather has ended and our citizens are enjoying the cool weather.

Freighters and farmers are complaining of the bad condition of the roads, but under the present conditions, how are we to better them. We heartily endorse the movement toward securing congressional relief in the short session. How can congress neglect us when she sees our condition? The government is sending teachers to the Philippines and leaving one hundred and fifty thousand American children starving for instruction within her own borders and in what is soon to be one of her fairest states of the sisterhood. Show congress the picture in a united effort and the game is won.

Dr. and Mrs. J. L. Borden started Thursday for a two weeks visit in Oklahoma, their former home.

Mr. and Mrs. Norris, Indian citizens from near Ardmore, were here two or three days the past week visiting their daughters, who are in school, and looking up a location near the academy that they might move here for the purpose of schooling their children.

To get an illustration of the healthfulness of Sulphur, just visit the Indian academy and see what a strong, healthy, and working set of pupils. Some have changed that sallow complexion indicative of poor health, to a rosy tint, which is the picture of health. With health comes pleasure and with pleasure a desire to work.

Miss Lena Ponder has resigned her position as bookkeeper in the Shawnee Herald office and will return home in a few days.

A new arrival at Mr. and Mrs. C. J. Webster's Monday night—a son.

Rev. R. W. Cummins preached at this place Sunday instead of Mill Creek.

Improvement still goes on. New houses on all side, and the Northside Townsite Co. is surveying and platting their new addition. If Sulphur grows to fill up the new boundaries, she will be quite a little city.

Quite a number of visitors and health seekers are to be seen at the fountain every day, despite the coming cold weather.

TEACHERS VS. LAWYERS.

The Former Challenge the Latter to an Old Fashioned Spelling Bee.

The teachers of Ardmore have issued a challenge to the lawyers of the city to meet them in public in a spelling match at the courthouse Friday evening, November 21. The only condition expressed is that Webster's Blue Back Speller shall be the book used.

A BUSINESS SCHOLARSHIP FREE.

"There is a tide in the affairs of men, which, taken at the flood, leads on to fortune." We are going to make this year the turning point in the life of some energetic, bright, bustling boy or girl. You well understand that today the real man is the man of business, and you know, too, that almost every line of honest work in the world is open to women. How different from a few years ago! Now, here is a plan that will place at your command a first-class business education, fit you for earning a good salary or equip you for the successful management of any business enterprise. And it is so simple, so easy, and such pleasant employment that no young man or lady can afford to let it pass. To the person sending us the largest list of annual subscribers to the Weekly Ardmoreite by the 1st day of December, 1902, we will send a paid up scholarship in the Southwestern Business University of Oklahoma City. This college has been established for a number of years and has every equipment necessary to impart a thorough business education. These courses include thorough training in penmanship, spelling, letter writing and English.

Do not hesitate; enter the contest today. See your friends. Many of them who are reading the paper now will renew for a year.

Another feature of the contest is, you get good pay for every hour's work while earning the scholarship. We will give you 15 cents for every annual subscriber, or in other words, for every subscriber you remit us 85 cents, and keep the 15 cents to pay you for your time. Sample copies will be furnished you. Be the first in your town or neighborhood to take up the work. Surely you can send in as many as twenty subscribers. Fill out this blank tonight and mail it to us.
